**LOOK OUT FOR THIS COUNTERFEIT \$10 BILL**

Washington, June 16.—A deceptive counterfeit \$10 national bank note, bearing the portrait of William McKinley has been discovered and the secret service is endeavoring to trace its origin. The counterfeit is regarded by the officials as exceptionally clever.

The note is on the Citizens' Central National Bank of New York city, of the series of 1902, and apparently is printed from a lithograph plate on two pieces of paper, between which silk threads have been distributed.

The numbering is poor, the figures being irregular in size and alignment, but the pink seal is excellent, both as to color and workmanship.

**SEE "THE DEVIL"****AT DUNCAN TONIGHT**

Tonight's attraction at the Duncan opera house will be "The Devil," an up-to-date show by an up-to-date company. One of the largest audiences in many months is expected to witness tonight's star production of the El Renal Stock company, which has stopped off here for one night on its way to Santa Fe, to open the new Elks' theatre in the second oldest.

Press notices where the company has appeared are most complimentary, which in themselves should be a guarantee that the show is up to standard. Regarding the appearance of the El Renal Stock company in that city, the Keokuk, (Iowa) Journal says:

"The popular El Renal Stock company is with us again after a remarkably successful season of forty weeks in the principal towns of the south. It opened its second season at the Casino last night and despite the threatening condition of the weather was greeted with a crowded house, who laughed and applauded the talented organization in an enthusiastic manner. The well known comedy, 'The Devil' was produced in an artistic way. The entire company are the most talented and finished actors in stock new touring the country."

**FINDS SILVER COIN BEARING ANCIENT DATE**

While plowing land on his ranch at the upper town of Las Vegas that had never been plowed before to his knowledge, Jose A. Baca spied a silver coin in a furrow and naturally enough picked it up and pocketed it. It proved to be a fifty-cent piece, dated A. D. 1831. It is larger than the present coin of this denomination, but thinner. Stamped on the rim are the words, "Fifty cents or a dollar," which stamping a Las Vegas hanker declares was done at a government mint. The goddess of liberty graces one side of this old coin, while an eagle and the words, "Ephraim Unum," are stamped on the other side.

**Chamberlain's Cough Remedy the Best on the Market.**

"I have used Chamberlain's Cough Remedy and find it the best on the market," says E. W. Tardy, editor of The Sentinel, Gainesboro, Tenn. "Our baby had several colds the past winter and Chamberlain's Cough Remedy always gave it relief at once and cured it in a short time. I always recommend it when opportunity presents itself." # S.S.S.

## OLDEST AND BEST BLOOD PURIFIER

We have never claimed that S. S. S. was a medicine to work wonders, nor one that would cure every physical ailment or disorder. More than forty years ago it was placed on the market and recommended as a blood purifier, and today, after a long and successful career, and when its use has become almost universal, only the same honest claim is made for it—that it is a cure for those diseases and disorders arising from an impure or polluted blood. Time makes no mistakes, and the very best recommendation of S. S. S. is the fact that it has stood a long test and is now more generally used, and has the confidence of a greater number of people than any other blood medicine.

The blood is the most vital force of life; every organ, nerve, muscle, tissue and sinew of the body is dependent on it for nourishment and strength, and as it circulates through the system, pure and rich, it furnishes to these different members the healthful properties needed to preserve them and enable them to perform their various duties. So long as the blood remains free from infection we are apt to escape disease, but any impurity, humor or poison acts injuriously on the system and affects the general health.

Pustular eruptions, pimples, rashes, and the various skin affections, show that the blood is in a feverish condition as a result of some humor, or the presence of an irritating, fiery acid. Rheumatism comes from an excess of uric acid in the circulation, while Catarrh, Sores and Ulcers, Scrofula and Contagious Blood Poison, are all deep-seated blood disorders that will continue to grow worse as long as the cause remains. Bad blood may come from various causes, such as a sluggish condition of the system, imperfect bowel and kidney action, indigestion, etc., or the trouble may be inherited; but whatever the cause the blood must be purified before the body can be healthy.

S. S. S. is a natural blood purifier and tonic. It is made entirely of the harmless juices and extracts of roots, herbs and barks of recognized curative ability, and being free from all harmful minerals is an absolutely safe medicine for young or old. S. S. S. goes down into the circulation and removes any and every trace of impurity, humor or poison. It freshens and enriches the blood and cures promptly and permanently Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Skin Diseases, Contagious Blood Poison, and all other blood disorders. S. S. S. is the most reliable and at the same time a most pleasant acting medicine for those whose blood has become weak and who are suffering with Anaemia, Malaria or some other debilitating sickness.

A blood purifier is especially needed in the Spring to cleanse the circulation of the impurities which have accumulated during the shut-in life of Winter, and S. S. S. is the most reliable and certain of good results. Book on the blood and medical advice free. S. S. S. is for sale at all drug stores. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

**Women Who Are Envious.**

Those attractive women who are lovely in face, form and temper are the envy of many, who might be like them. A weak, sickly woman will be nervous and irritable. Constipation or kidney troubles show in pimples, blotches, skin eruptions and a wretched complexion. For all such, Electric Bitters work wonders. They regulate stomach, liver and kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion. Many charming women owe their health and beauty to them. 50c at all druggists.
